

Dear Ark Day Supporter

Thank you for registering to support Ark Day 2020 – a campaign where you will be able to make a big difference to a good cause in a small way.

Ark Day has been created by the Ark Day Organising Committee, and it is raising money for Ark Cancer Centre Charity's £5million appeal that will provide key support to cancer patients and carers within a much-needed NHS cancer centre at Basingstoke hospital.

In 2019, thanks to great support from local people, the first-ever Ark Day raised more than £32,000 – an amazing amount. In 2020, the goal is to get even more local people involved and to increase fundraising for, and awareness of, Ark and the cancer treatment centre project.

The Ark Day campaign has a simple message: Nearly 180,000 people live in Basingstoke and Deane. Imagine the massive difference it would make to Ark's fundraising campaign if everyone in the town and borough donated £1 on Ark Day.

The new cancer centre will be built on the Basingstoke hospital site, and Ark's £5m will ensure that a range of complementary therapies and supportive services can be provided alongside radiotherapy and chemotherapy treatments in a calm and uplifting environment.

Thank you again for signing up to support Ark Day 2020 – and thank you for making a difference.

Best wishes

Merv Rees

Myrddin (Merv) Rees MS FRCS
Ark Cancer Centre Charity Trustee

[Ark Day is an event that is being organised by a committee of volunteers. All money being raised is for Ark Cancer Centre Charity, registered charity number 1149758](#)
